# IT'S ALL ABOUT TRADITIONS

Begin something today that you, your family, and friends can enjoy for a lifetime.™

Children love to climb into the cupola of our fully-restored 1949 Erie caboose, operate the lights & bell of our crossing gate, and have their photo taken in front of our 8-foot Thomas The Tank Engine.

Bringing moms and dads, brothers and sisters, and family and friends together for generations.

A multi-level interactive **Z-Scale, N-Scale, HO-Scale, O-Scale, and G-Scale train layout** with a closed circuit camera and color monitors featuring a LIVE video feed from the railroad tracks in the rear of our building and train-themed programs.

Fully-furnished and operational dollhouse displays—including Bostonian, valued at more than **US\$10,000.00**.

Children (and their parents and grandparents) enjoy our **Thomas & Friends, Schleich, and Breyer Horse** play tables; **Carrera** slot car track, and fun-filled **FREE** events!

**During the Holiday Season, visit Santa, his elf, and his reindeer each weekend in our caboose!**

No cost to see Santa, visit the reindeer, or take photos! **FREE** holiday gifts for every child. Forgot your camera? We take the photograph and it's available at [www.niagarahobby.com](http://www.niagarahobby.com) that same day... **for FREE!** The Holidays are about giving – and we take that seriously at Niagara Hobby & Craft Mart!

**We ship everywhere! We do not markup our shipping charges and we don't believe in handling charges!**
